Re: City of Mankato Community Development Block Grant (CDBG) Commercial Rehabilitation Program

Dear Property Owner,

The City of Mankato has made Community Development Block Grant (CDBG) loan funds available to assist commercial properties with exterior improvements. The property must be located within a designated targeted area, as identified on the enclosed map.

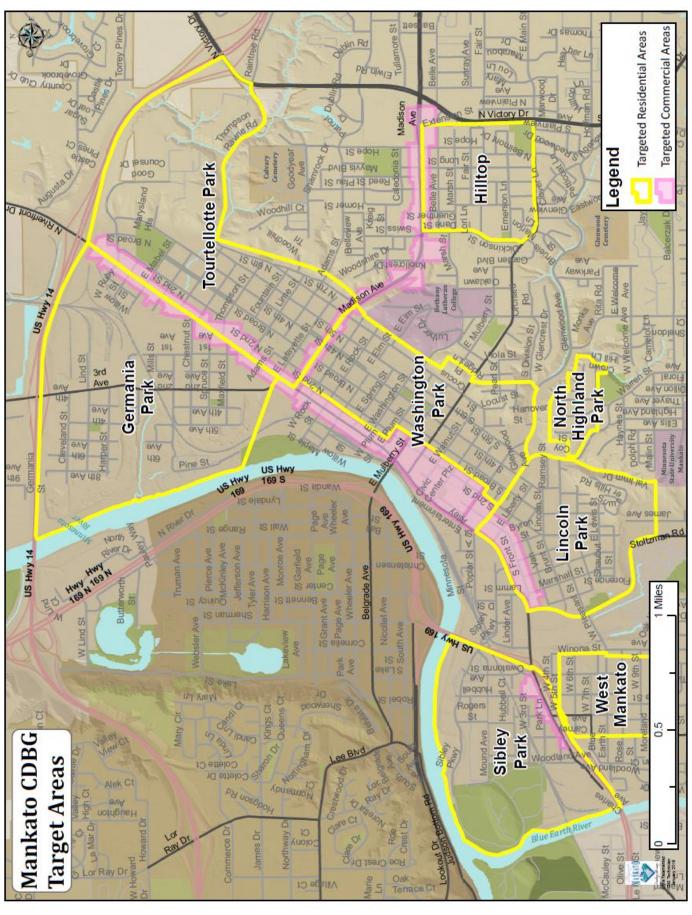

Eligible property owners may apply for a deferred loan of up to \$25,000 per property. The loans will be provided at a 0.0% interest and will require no monthly payments. The loans are secured with a mortgage on the property to be improved and are forgiven after a 10-year period; provided the property ownership is not transferred. If property ownership is transferred a pro-rated portion of the loan must be repaid to the City of Mankato; a 50% match is required.

The City of Mankato has limited funding available for commercial rehabilitation and projects will be awarded on a first come first served basis. Only complete applications will be accepted and the applications should be submitted to Courtney Kramlinger, 10 Civic Center Plaza, P.O. Box 3368, Mankato, MN 56002-3368.

Please contact me at 507-387-8711 or ckramlinger@mankatomn.gov with any questions or if additional information is required.

Sincerely,

Courtney Kramlinger Economic Development Specialist

City of Mankato Community Development Block Grant (CDBG) Commercial Rehabilitation Program

This commercial rehabilitation program has been designed to provide financial assistance for the storefront rehabilitation of commercial buildings in the targeted area.

Community Development Block Grant (CDBG) Deferred Loan

• Covers 50% of the rehab expenses up to a maximum loan amount of \$25,000 per building. This will be 0% interest loan with deferred payments for a period of 10-years. If the property ownership does not change during the 10-year commitment period, the loan is forgiven.

Remaining Project Costs

• All remaining project costs are to be financed through sources other than the City of Mankato, such as owner cash contributions or conventional financing.

- ❖ The loan will protect your property for the long-term;
